

CLIENT ENDORSEMENTS

“Robert Trent Jones Golf Club is proud to work with Country Club Connections as **our exclusive web solutions provider**. We needed advice on what steps to take to present the Robert Trent Jones story on the web and Country Club Connections worked with us every step of the way. Their commitment and dedication to our needs were outstanding. I think that the results will be terrific.

“The Internet Selection Committee for Baltusrol Golf Club chose Country Club Connections as their **exclusive website application developer** for two simple reasons: **Customer Service and Security**. Country Club Connections has committed resources for long-term success and their software and systems will handle our club's sensitive and personal information with care and confidence.”

-The Internet Selection Committee, Baltusrol Golf Club

“We are proud of *AmericanGolf.com*, the re-launch of American Golf’s Internet presence. This newly designed website has powerful functionality, using some of the most state-of-the-art technology available. We look forward to working with Country Club Connections, **our exclusive website developer**, on the development of both the public and private applications for all our clubs and courses under American Golf’s management.”

**-Michael J. Kimball, Executive Director of Marketing Technologies
American Golf Corporation**

“The NJSGA needed to update and upgrade our website to take advantage of the tools available on the market today. Ultimately, we need to use every creative method available to stay in touch with our members. **Communications and security** are important to our business and Country Club Connections can provide us with the best of both worlds...”

-Stephen M. Foehl, Executive Director, New Jersey State Golf Association

“...Country Club Connections is **focused on the golfer** and making their club experience more enjoyable...and that makes my job easier.”

**-Pete Famiano, Director of Golf, Crestmont Country Club,
Past President of New Jersey PGA Section**

“...ultimately if my members are happy, then I’m happy. Country Club Connections is all about **enhancing my members’ club experience.**”
